# BXB Ambassador Plan

---

BXB Team 2019/4/30

Visit us at [bxb.io](http://bxb.io)

## Brief Introduction

**BXB Exchange**, dedicated to serving individual investors, is a revolutionary crypto exchange empowering users with innovative products. BXB's product line includes **Options, Futures, Coin-Coin Trading**, and unique products which are the first of their kind, such as **Tap-Trading, Auto-Trading** and **Lego-Trading**

## High Lights

### Auto-Trading

The core of the token economy is to reward the contributors. Trade mining is a major innovation that gives users up to 5% rewards daily for their contributions to the platform.

### Perpetual Futures

- 100X Leverage
- Settles in USDT
- Hedge Risk

### Tap-Trading

A unique trading product launched by BXB to satisfy the trading needs of traders looking for quickly enter and exit.

### Options-Trading

- Limited Risk, Unlimited Profit
- Settles in USDT
- Target Various Crypto Coins

We hope our ambassadors can help us  
promote our exchange so that  
more people can join  
**BXB community**  
and  
**MAKE A FORTUNE!**

# Steps to be an AMBASSADOR

---

## Self-Cognition

- Highly motivated self starter
- Interest and belief in blockchain
- Motivation to spread BXB all over the world
